BBSA Supporter/Business Owner:

We are writing this letter on behalf of the Bauerstown Baseball and Softball Association for our upcoming "Night at the Races" fundraiser scheduled for March 4th, 2017. We hope we can count on your support.

In addition to the Night at the Races, we will be having a Chinese Auction at our event. It would be most appreciated if you or your organization is able to donate a gift certificate or gift basket, or other item to be utilized as a prize for our auction. The event will raise funds necessary for the maintenance of our ball fields, facilities and protective equipment that is essential for our children's safety. We hope you can help us make the event a success!

This is a great advertising opportunity for you to reach out to over 300 families from the Shaler Area. Businesses making donations will be advertised at the Bauerstown Baseball and Softball Association Night at the Races and in our opening day program. We appreciate whatever you can do to help Bauerstown Baseball and Softball Association and our children.

For your records, the BBSA Federal Tax ID number is: 01-0968274. The families of Bauerstown Baseball and Softball Association thank you for your support in making this fundraising event a success!
